## Cajun Fried Turkeys are back again

*Our good friends at Acadiana Café are frying up a special batch of deep fried turkeys just for Habanero's customers.*

*They sell out every year because they're just flat out delicious. They're moist and juicy with a little Cajun kick. (That's the part I like) This will be our fourth year to do this and we sell out quicker every year.*

*Customers returned with comments like, "That was our best turkey ever" and "Man, those were great." So sign up early because we can only sell 25 and we sold out last year. Besides where else can you get a burrito and a turkey in the same stop.*

**HAPPY THANKSGIVING.**

Reserve your turkey to pick up at either location by calling the location you want to pick up at. For the original Habs on West Ave call **499-0099** and for the new Habs at The Rim call **699-4681**

Salsa of the month  
*Cranberry Mango Salsa*

This is a great time of year to include a little cranberry in your salsa. This salsa is particularly tasty with fresh mango.

1 cup finely chopped cranberries  
1 cup chopped peeled mango or papaya  
1/4 cup minced red onion  
2 tablespoons minced fresh cilantro  
1 1/2 teaspoon honey  
1 teaspoon minced seeded jalapeno pepper  
1/4 teaspoon salt

Mix all ingredients in a bowl and chill for at least two hours before serving. (This can't get any easier)

*Habs catering choices just keep getting better.*

No matter how you look at it, food is a main attraction during the holidays. Parties and special events are usually defined by the quality of the food. Whether you're looking for options ranging from a few dollars to a fancy spread we can help you with your holiday catering needs. We usually book up December early so make plans now. We're offering a special bonus if you book your event before Thanksgiving. We'll give you a \$10 gift card for every \$100 you spend on catering. Book a \$500 event and get 5 - \$10 gift cards to give out as presents or bonuses. Maybe it's a \$50 gift card for the student in your world.

This year we've added some great cold wrap choices that will let you get a tray of fresh cold wraps, chips and salsa all for under \$6 per person. Of course we still have everything from pints of salsa and queso to full service burrito catering.

**For more information check out our web site under catering, pick up a catering menu on your next trip in or call Neil at 499-0099 or Steve at 699-4681**

## Veteran's Day Salute

Sometimes it's easy to forget all of the blessings that freedom brings us. If it weren't for the sacrifices of our military (both current and veterans) we would most certainly lead different lives. There's a reason there are no Habanero's in Iraq or Afghanistan. As our way of saying thanks to all the military veterans as well as active duty we want to buy you a FREE burrito on Veteran's Day. Show us your military ID card on this day and the burrito is on us. It's also a little incentive program. If you ever wonder what we're fighting for just remember... there's no Habanero's over there.

**In the beginning of a change, the patriot is a scarce man, and brave, and hated and scorned. When his cause succeeds, the timid join him, for then it costs nothing to be a patriot.**

### ANYBODY UP FOR A LITTLE GAME OF POKER??

Try your hand at our new scratch off poker game. We had so much fun with our magic 8 ball that we want to play more games. Well our employees do but that doesn't surprise me. So this month we have a little poker game for you. Just ask the cashier for a scratch off card. There's lots of winners. Even a simple pair wins you a free drink. The top prize is a catered party for 20 and everyone has a chance at the second chance prize of a \$50 gift card to your favorite burrito joint. Good luck!

### Honor Roll

What a great month of giving away points!!! It was the return of the powerhouses. Our top twenty five was filled with perennial powerhouses like **Bruce Johnson** (Hall of Famer), **Lori Shull** (another Hall of Famer), **Johnny & Jenni Haddock**, **Ray Teske**, **James McQuaid**, **Michael Loewer**, **Wes Harlee**, **Zach Gonzalez**, **Andrea Giovannelli**, and **Richard Solt**. These ten alone have probably earned at least 500 free burritos, two trips to Vegas and lots of free parties. Good to see the vets back at the top. It's almost time to celebrate Tim Brackenbury at Boerne Toyota who may have earned a trip to Vegas by the time this goes out. Thanks to all our Habanero Dinero customers. We have a new bonus for you but you'll have to come in the find out what it is. See you soon.

### MOVIE TRIVIA From

November kicks off the second biggest movie season and it looks like there are lots of family movies out this year. If you're looking for a family movie everyone will enjoy try the Disney version of Dickens, "A Christmas Carol" It's going to be shown in 3D so that alone should make it interesting. This is one of those holiday movies everyone needs to see at least once.

**The Men Who Stare at Goats** with Ewan McGregor and George Clooney looks like lots of fun. Just the concept of psychic soldiers sounds good. If you're under 30 and want a good date movie try **The Twilight Saga: New Moon**. I'll be honest I don't get the whole vampire hype but it should be the BIG movie of the Thanksgiving weekend. Whatever movie you see, just bring your ticket stub over on movie night and you'll get \$1 off any purchase of \$10 or more. So trivia this month is a little vampire trivia everyone should know: *What color eyes do vampires that prey on humans have?* (crimson, gold, black or white) The first ten correct answers get entered in a drawing for dinner for two and two free movie tickets. Good luck

### Charles Schultz Philosophy

In honor of the Peanuts creator's birthday I'll share with you a little quiz he created.

1. Name the five wealthiest people in the world.
2. Name the last five Heisman trophy winners
3. Name the last five winners of the Miss America.
4. Name ten people who have won the Nobel or Pulitzer Prize.
5. Name the last half dozen Academy Award winner for best actor and actress.
6. Name the last decade's worth of World Series winners.

How did you do?  
The point is, none of us remember the headliners of yesterday. These are no second-rate achievers. They are the best in their fields. But the applause dies. Awards tarnish. Achievements are forgotten. Accolades and certificates are buried with their owners.

Here's another quiz. See how you do on this one:

1. List a few teachers who aided your journey through school.
2. Name three friends who have helped you through a difficult time.
3. Name five people who have taught you something worthwhile.
4. Think of a few people who have made you feel appreciated and special.
5. Think of five people you enjoy spending time with  
Easier?

The lesson: The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They are the ones that care.
