WATERMELON FIRE AND ICE SALSA

We ran this salsa last Summer and it was voted the #1 recipe of the year last year so here it is again. It may not sound all there but try it. Everybody raved about it. It's a perfect summer salsa.

- 3 cups chopped watermelon
- 1/2 cup chopped green bell pepper
- 2 tablespoons lime juice
- 2 tablespoons chopped fresh cilantro
- 1 tablespoon chopped green onions
- 1 tablespoon chopped jalapeno pepper
- 1/2 teaspoon garlic salt

Combine all the ingredients in a bowl and refrigerate. This salsa tastes even better after it sits for a couple of hours.

The Answer is a Coin Flip Away

Flip a Coin Day is June 3rd; a day when making decisions is as easy as flipping a coin. This tradition dates back to Julius Caesar. Caesar would take a coin and flip it to make decisions where the right choice was unclear. The correct answer was "heads", which of course carried his image on the coin. **Flip a coin with us to win \$1 on June 3rd**

Congratulations to the Churchill Baseball Team

After a 15 year drought the Chargers baseball team won District 26-5A. Reagan has owned that title for it's 11 years of existence but Churchill finally won back the title. Since then they have gone on to win at least 3 rounds in the State Playoffs. Stay tuned as they are the last remaining 5A team still in the hunt for a state title. We wish them the best of luck and send them our burrito karma as they continue in the playoffs. Stay tuned for a special dedication party for our new Charger Corner at Habs on West Ave.

Who is Your Hero?

It's interesting in this day of celebrity stars and athletic heroes that time after time when people are surveyed about who their heroes are the top answers continue to be names like Mom, Dad, God, Soldiers, Policemen and Teachers.

People may like to claim Tiger Woods or Michael Jordan are heroes but the real heroes are the ones who inspire you when you're down, bring you back to earth when you're full of yourself and never waiver in their promises and commitments to you. That usually ends up being the ones at the top of this list. I think of my Dad

Happy Father's Day

Santikos Movie Trivia

It's Summer so you can enjoy any movie when it's 100 degrees outside. A couple big ones will come out this month and maybe a few sleepers. If you have kids you'll have to go see **Toy Story 3**. Andy is going off to college and the toys get a new home. If your kids are a little bigger they might like some movies reworked from when I was young. **Karate Kid** and **The A Team** both should be good. Then of course I'll tell the kids it was my generation that invented those shows. The current generation will all want to see **The Twilight Saga – Eclipse**. For the Sci-Fi crowd I recommend **Splice** about a DNA experiment gone awry. Whatever the movie you decide to go see make sure you're a part of our moviewatchers club and get a FREE small chips and queso with your ticket stub on the day of the movie.

So this months trivia is a Toy Story trivia. I could watch that movie 50 times and see something different every time. *In Toy Story 2 when Andy returns from camp, what song is he humming when he runs upstairs to greet his toys? Was it a) Star Wars Theme b) Rawhide theme c) William Tell Overture or d) Star Trek theme?*

Email your answers to burritoguy@habanerosgrill.com and the first ten correct answers will go in a drawing for dinner for two and two free movie tickets. Congrats to last months winner: **Grace Branecky** It turns out there were three right answers depending on worldwide, inflation adjusted or just good ol' USA so I took all three.

Fly Old Glory with pride on Flag Day

President Woodrow Wilson proclaimed June 14th Flag Day in 1916, commemorating the adoption of the Stars and Stripes by the Second Continental Congress on that day in 1777.

The idea of setting aside a special day to celebrate the U.S. flag wasn't new, though. One of the earliest observances of Flag Day occurred in Hartford, Conn., in 1861, at the suggestion of George Morris, to pray for the preservation of the Union at the beginning of the Civil War.

In 1885, a Wisconsin schoolteacher named Bernard J. Cigrand held a formal observance of what he called "Flag Birthday" at his school. Cigrand went on to become a passionate promoter of Flag Day, delivering more than 2,000 speeches on the subject, and is generally considered to be the "Father of Flag Day."

In 1914, Secretary of the Interior Franklin K. Lane delivered a Flag Day speech in which he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself." In 1949, President Harry Truman signed an act of Congress formally establishing June 14th as National Flag Day.

When I was a boy of fourteen, my father was so ignorant I could hardly stand to have the old man around. But when I got to be twenty-one, I was astonished at how much the old man had learned in seven years.

My father used to play with my brother and me in the yard. Mother would come out and say, "You're tearing up the grass." "We're not raising grass," Dad would reply. "We're raising boys. -Harmon Killebrew

Kids day the darndest things

My kids were struggling to get the ketchup out of the bottle one day when they were younger so in all my wisdom I had to show them just how to hit the bottle. A true Dad moment, until the phone rang and my youngest daughter answered the phone. It was for me but she told the caller, I'm sorry my Daddy can't come to the phone right now he's hitting the bottle"

**The Circus is coming to Town
Ringling Bros Barnum and Bailey
Circus is in town June 16 – June 20**

What you may not know is that P.T. Barnum saw the need for family entertainment back in 1875 and started his traveling museum. He later merged with James Bailey and the 5 Ringling Bros who all had their own circus'. This created the "Greatest Show on Earth". Over the years, Judge Roy Hofheinz has owned it, Mattel has owned it and now Feld entertainment owns it. They established the RBB&B clown college in 1968. It may not be a Play Station but it's still one of the greatest shows on earth.
