It's Margarita month at Habs

There's more than one reason I love July but no reason is better than it's Margarita Month at your favorite local burrito joint. What's better on a day when it's 104 degrees than a frosty cold margarita? How 'bout a frosty cold mango, strawberry or wildberry margarita. Make that even better if you get one of our supersized 60 oz. Margaritas we affectionately call our Weekend Warrior. Just to sweeten the margarita a little more, we'll give you double points all month on all your margaritas. We'll be having different specials all month so look for the daily special when you come in.

Margarita Jello Shots???

6 oz. Lime jello, 6 oz. Gold tequila, 2 oz. Triple sec, 2 oz lime juice, 16 oz boiling water, 1 oz cold water. Mix jello with boiling water then add all the rest of ingredients and pour in paper cup. Chill

Margarita salsa

As long as it's Margarita month why not try this margarita salsa and the peaches from Fredricksburg are great this year.

- ½ cup chopped sweet onion
- 2 cups diced peaches
- 2 Tbsps diced Serrano peppers
- 2 Tbsps chopped fresh cilantro
- 3 Tbsps gold tequila or orange liqueur (Gran Marnier)
- 2 Tbsps fresh lime juice
- 1 Tbsp finely grated lime peel
- ½ tsp ground cumin fresh lime

Mix all ingredients well and serve warm. It's especially good on meat or you might try it on a baked sweet potato.

It's Already Blazing Hot

- If you have us cater a job for \$500, you get 5 chances to win. We'll notify everyone, every week of our winner.

Find out what dozens of people already know.

- The food is great
- Delivery is on time
- The price is right
- Service is super friendly
- Ordering is easy and straight forward

There's a reason we are on over a dozen car dealerships regular list, over 16 drug reps use us often, and we book private events from in home parties to office parties every week. See our menu at www.habanerosgrill.com and look in the catering section.

Wouldn't a quart of ice cream be good right now?

Age does not diminish the extreme disappointment of having a scoop of ice cream fall from the cone

** Vacation **

Don't forget to bring us a picture of you wearing your Habs shirt while you're on vacation and we'll buy you a free burrito when you get back in town.

A vacation is what you take when you can no longer take what you've been taking. ~Earl Wilson

Honor Roll

June was a month full of catering. Graduations, birthdays, office parties and the list goes on. We have a landmark month coming up in July. It will be our first month to give away not one but two trips to Las Vegas. Special props to **Karen Martin** and **Tracy Hogan** on earning their trips. Ask either of them if being on the Gold or Platinum program has been a good thing. Thanks also due to **Elizabeth and Victor at West Ave Elementary** for inviting us to cater their special art show and a teacher education seminar.

Most of our top twenty are members of our Gold or Platinum program. If you eat at Habs more than twice a month it's a smart move. Thanks to **Jeremy Johnson** (who earned points at both restaurants), **Johnny Haddock**, **Ray Teske**, **Wes Harlee**, **Chris Babrock**, **Daniel Mahoney**, **Jerry Squier**, **Elsa Aldana**, **Alyson Enoch** and **Amelia Cornerstone**. You all ROCK!!!!

Santikos Movie Trivia

The Summer movies are in full swing now with the big July 4th weekend upon us. This could easily be renamed Family Movie Month. Tons of great movies the whole family can enjoy. The first one out is **The Last Airbender**. This Sci-Fi/Fantasy/Action movie just might be the Summer box office champion. Next up is **Despicable Me**. If you like feature length cartoons and you have weird neighbors (don't we all) than the whole family will like this PG movie. If you have young daughters then **Ramona and Beezus** is a must see. It stars Selena Gomez from Disney fame and no doubt will make the rental list. Finally, **Cats and Dogs the Revenge of Kitty Galore** will work for any family with either cats or dogs. The two arch enemies continue to battle for control of the world. In our house it's the dog that thinks she wins but the cat really knows who runs things.

So this month's trivia is about the hero in The Last Airbender. His name is Aang and like any good hero he has a faithful companion. *What type of pet does he have and what is the pet's name?* Send best guesses to burritoguy@habanerosgrill.com. First ten correct answers go in a drawing for free dinner for two and two movie tickets. Congrats to last month's winner **Andrew Gomez**. The answer was William Tell's Overture.

Where's Stevo

Maybe not as interesting as Waldo and I don't wear a striped shirt but just to let you know if you haven't seen Steve around it's not because I'm golfing. M,W,F have been West Ave days and Tue,Thur have been Rim days. See you soon

Time to eat those peppers

Peak pepper season is now until September. Capsaicin, the chemical compound that gives pepper it's heat is known to reduce inflammation, boost metabolism and even kill headaches.
