Student Discount Cards

Throughout the year we have plenty of special deals for students but none of the deals are better than our student discount cards. We started these with a Roadrunner Discount Cards and this year we will have Cougar Cards, Charger Cards and a few more. **The card entitles the student to \$2.00 off any purchase of \$5 or more all year long.**

They are only \$15 and are only available from August 16 through September 19. We make a limited number and when they're sold out, we're done. They're great as fundraisers for your school organization. If you have any questions or would like to buy one stop by either Habs this month.

Check out our new survey and tell us how we're doing

We have a new survey on our website that gives you a chance to tell us how we're doing. I'd like to say it's like one of those stores where you have a chance to win \$10,000 but no However, I promise I'll read every one and respond personally so take a look and tell me how we're doing.

SALSA OF THE MONTH

Hummamole Or guacamole

I'll admit it, I just like the name but if you like hummus and who doesn't like guacamole than try this out with some good crackers and fresh veggies

- 2 ripe avocados
- 2 - 15oz cans of chickpeas
- 1/4 cup finely chopped red onion
- 4 clove garlic, minced
- 3 tablespoon chopped cilantro
- 1 tablespoon olive oil
- Juice of 3 limes
- 1 tsp ground cumin
- Salt to taste

Place all ingredients in a blender or food processor and blend until smooth. Refrigerate a couple hours and serve with pita chips or veggies.

10 REASONS HABANERO'S CATERING IS MORE FUN THAN ANYONE ELSE.

Because you can...

1. Use burrito rolling lessons as a team building activity.
2. Have the burrito sawami tell your guests fortune based on how they build their burrito
3. Use the art of burrito rolling as a training class to train trainers.
4. Use only habanero hot salsa to show your displeasure at having to host another event.
5. Offer free hot sauce at your next fundraiser and sell drinks for huge profits.
6. Have a burrito eating contest to see who can eat one the fastest
7. Use the burritos to play burritoball (A combination of football and rugby)
8. Make burritos the cornerstone of any successful business deal. (Free burritos for life is a very lucrative contract offer)
9. Show the boss how fiscally responsible you really are.
10. Laugh at your friends wife when she says, "Wow, I've never seen anything that big"

In the last few months we've catered 4 weddings, 8 graduation parties, 16 Dr.offices, 4 staff meetings, 1 All American basketball team and a handful of special events. We'll gladly give you names for recommendations from any of the events.

Santikos Movie Trivia

August is your chance to see any of those Summer movies that you missed out on or you want to see a second time. If you want to see one of the new movies here's our top picks.

In the date movie category you might like **The Other Guys** with Will Ferrell and Eva Mendes. Looks like a funny cop adventure flick. Second choice date movie is **Eat, Pray, Love** with Julia Roberts. Roberts has it all, loses it all and rediscovers what's important. The third choice date movie is **The Switch** with Jennifer Anniston. If you've liked any of her movies this is the same style of dating mishaps, missteps and mistakes. If you like action movies you can't miss **The Expendables** with Sly Stallone, Jet Li, Bruce Willis, Gov. Schwarzneger, Dolph Lundgren and Jason Statham to name just a few.

Last but not least if you have one last movie day with the kids you should go see **Nanny McPhee Returns**. Everyone's favorite nanny is back to straighten things out again.

So our movie trivia for the month is about politicians in the movies. *Who was the last governor to play a part in a major(?) Hollywood movie and what was the movie?* Email correct answers to burritoguy@habanerosgrill.com. First ten correct answers get a chance for two free movie tickets and dinner for two at their favorite burrito joint

Congratulations to last months winner: **Mandi Carpenter**

These are the NBA stars of tomorrow after enjoying a big fat burrito. Keep your eyes open for Kyrie Irving and Austin Rivers in the near future. Thanks to George and Lori B.

- 564 lbs of cheese
- 200 gallons of salsa
